PROFESSIONAL SUMMARY

Software Developer with 3.6 years of experience in C#, .NET Core, ASP.NET MVC, and Web API development. Experienced in building and supporting enterprise applications, working closely with Business Analysts in Agile environments to translate user stories into scalable solutions. Strong expertise in MS SQL Server, including database design, stored procedures, and query optimization. Skilled in performing data analysis, system enhancement, and maintaining application stability. Hands-on experience in CI/CD using Azure DevOps, IIS deployment, and end-to-end application lifecycle including testing, and support. Proven ability to improve performance, ensure data integrity, and deliver high-quality solutions.

TECHNICAL SKILLS

Programming Languages: C#, C

Frameworks & Technologies: .NET Core, ASP.NET MVC, ASP.NET Web API, Entity Framework, ADO.NET, WPF

Frontend: HTML5, CSS3, JavaScript, jQuery, Bootstrap, Angular, ReactJS

Database: MS SSIS, Stored Procedures, functions, Database Design

DevOps & Tools: Azure DevOps, CI/CD Pipelines, Git, Bitbucket, IIS

Concepts: RESTful APIs, Microservices Architecture, ETL Basics, Data Analysis, OOP, SOLID Principles, Design Patterns, Dependency Injection, Agile/Scrum

KEY RESPONSIBILITIES

- Application development and maintenance for enterprise systems
- Collaboration with Business Analysts to implement user stories
- Database design and data handling
- Data analysis and validation before implementation
- System documentation and application support
- Deploy applications on IIS and manage CI/CD pipelines using Azure DevOps

EXPERIENCE

Software Developer

Wipro PARI Private Limited, Pune

October 2022 – March 2026

PROJECTS

Ford USA | Role: Software Developer

- Developed RESTful Web APIs to enable communication between systems, improving data processing efficiency by 30%
- Worked closely with Business Analysts to understand user stories, analyze requirements, and implement scalable solutions
- Designed user interfaces using ASP.NET MVC, improving usability and user interaction
- Implemented Database schemas, stored procedures, and views for efficient data handling
- Performed data analysis and validation to identify inconsistencies and improve data quality
- Deployed and managed applications on IIS using CI/CD pipelines, reducing deployment time by 40%
- Provided ongoing application support, troubleshooting issues
- Maintained technical documentation for workflows, system changes, and upgraded
- Conducted testing, debugging, and performance reducing system errors by 25%
- **Technologies:** ASP.NET MVC, Web API, C#, JavaScript, jQuery, MS SQL Server, IIS

Vin Fast (Vietnam) | Role: Software Developer

- Gathered and analyzed client requirements to design scalable and efficient solutions
- Improved responsive web applications using ASP.NET MVC, improving data entry efficiency by 35%
- Enforced Windows Services to extract and process PLC data, ensuring seamless integration with backend systems
- Complex SQL queries and stored procedures in MS SQL Server, improving response time by 20%
- Performed end-to-end testing and debugging to maintain application stability and reliability
- **Technologies:** ASP.NET MVC, C#, Windows Services, HTML, CSS, JavaScript, MS SQL Server, IIS

Ford Otosan (Romania) | Role: Software Developer

- Led deployment and installation of web applications in client environments
- Created backend services and APIs for system integration and data processing
- Collaborated with stakeholders to refine requirements and improve system functionality
- Initiated database objects including tables, views, and stored procedures
- Provided production support and ensured minimal downtime during releases
- Conducted performance tuning and refined system reliability
- Maintained system documentation and deployment processes
- **Technologies:** ASP.NET, Web API, C#, Windows Services, WPF, MS SQL Server, jQuery

EDUCATION

Bachelor of Engineering (B.E.)

P. R. Pote College of Engineering, Amravati

Higher Secondary Certificate (HSC)

Maharashtra State Board, Akola

LANGUAGES

English, Hindi, Marathi
